Price for Dark Fibre (“Service”)

The Service refers to optical fibre transmission capacity between customer locations in which the light for the fibre is provided by the customer.

Service Description	Service Charge per each one core fibre (USD)
Installation (per service end)	40,000 per order
Relocation (per service end)	40,000 per order
Monthly Rental (Mega-i to Sino Favour)	50,000 per month

Note:

- 1 The provision of the Service is subject to the Company’s feasibility study, network coverage and resources availability.
- 2 The Minimum Contract Period of the Service is 12 months. Early termination of service before contract expiration date is subject to service cancellation charge, which is equal to the total contract sum with the subtraction of service charges paid.
- 3 All other charges and conditions shall remain unchanged.
- 4 The above Service is provided subject to:
 - (1) the Company’s General Terms and Conditions of Service available at: <https://www.chinatelecomglobal.com/other/gtc.html> ;
 - (2) the Company’s Service Terms available at: <https://www.chinatelecomglobal.com/other/serviceTerms.html> ; and
 - (3) applicable special terms and conditions as the Company may publish from time to time.
